

**Paolo Perazzi appointed General Manager
of Macchi S.p.A.**

Venegono Inferiore (VA), 23 July 2018 – Starting from today, the Board of Directors of Macchi S.p.A. has appointed Dr. Eng. Paolo Perazzi as General Manager of Macchi S.p.A.

Paolo Perazzi takes over from Dr. Anthony M. Caprioli, to whom the Board of Directors has expressed a heartfelt thanks for the carried-out activities.

The appointment of Paolo Perazzi as General Manager aims to strengthen the management team and to improve the management processes, also in view of a path of further development that Macchi intends to undertake.

Besides the team strengthening and management aspects, Paolo Perazzi will also dedicate himself on Macchi's business diversifying process into new market fields and international development. All this guaranteeing absolute continuity in terms of shareholding.

"We are confident that Paolo Perazzi's appointment, will allow Macchi S.p.A. to consolidate its position worldwide and achieve new and ambitious goals in terms of technical development, economic result and geographical penetration", said founder Luigi Macchi, still firmly at the head of the company.

Paolo Perazzi, a graduate in electronic engineering from the Milan Polytechnic, is an international manager with more than 25 years of experience in multinational companies, SME and consulting firms. Paolo Perazzi has been also CMO of Prysmian S.p.A. and CEO of Fimotec S.p.A

MACCHI S.p.A.

Founded in 1961, MACCHI was one of the first manufacturers of equipment in the world to focus on the extrusion of blown film, achieving over the years a leadership role thanks to continuous technological innovation, constant investment in research and development, quality, reliability and versatility of the systems produced.

Today MACCHI can count on one of the largest and most diversified production programs in the world.

MACCHI is structured internationally with a capillary network of agents and sales offices in the United States, India and Russia. We are "local all over the world" to always respond to the demands of our customers with technically advanced and sustainable solutions.

Macchi S.p.A.
The Chairman
