COVID 19 Emergency - March 23rd, 2020 – Macchi is always at your full disposal

Dear Partners,

with reference to the additional recent developments related to the COVID 19 emergency and specifically to the new decree dated March 22nd, 2020, issued by the Italian President of the Council of Ministers to counter the spread of the virus, we are to confirm that, while adopting all the provisions required by current legislation on health safety, Macchi also guarantees to its Partners the full operation of all its services.

In compliance with all the official guidelines, Macchi regularly continues its production activity, guaranteeing every service related to the supply of its plants and associated services such as assistance and spare parts.

All our staff is fully operational and remains at your full disposal.

Best regards,

MACCHI SPA
